

Dear Clients and Friends

We are delighted to host our partners from Drew Network Asia to present our webinar, "**Updates on Data Protection Law in ASEAN**", on Tuesday, 22 February 2022, from 9am to 1pm (SGT/MYT/PHT) / 8am to 12pm (WIB).

The webinar will discuss developments and upcoming changes in data protection laws in the ASEAN region, with a focus on Singapore, Indonesia, Malaysia and Philippines. We shall also be looking at key commonalities and differences across ASEAN and prospects for 2022. The webinar will feature Data Protection Law practitioners from market-leading firms under the Drew Network Asia umbrella. The full programme can be found below.

The webinar will be presented online through Zoom. To register, please click [here](#). Further details of how to access the webinars will be sent to you after registration and closer to the date of the webinar. Registration closes on Friday, 18 February 2022, 5pm (SGT).

We look forward to seeing you at our webinar. In the meantime, please stay safe and healthy.

Best regards
Drew Network Asia

Lim Chong Kin

Chong Kin is the Managing Director of Drew & Napier's Corporate & Finance department and co-heads the Competition Law & Regulatory Practice and Data Protection, Privacy & Cybersecurity Practice. He also heads the Telecommunications, Media and Technology (TMT) practice.

Chong Kin has played a key role in the development of sectoral competition regulation in Singapore, in particular, in the telecommunications, media and postal industries. Since 1999, he routinely advises the sectoral competition regulators on liberalisation, market access, licensing, competition regulation, merger reviews and enforcement issues, including successfully defending the regulators in various Ministerial appeals.

David N. Alfred

David is Co-Head of Drew & Napier's Data Protection, Privacy and Cybersecurity Practice and Co-Head of the Drew Data Protection and Cybersecurity Academy.

David is a senior data protection, cybersecurity and technology lawyer with over 20 years' experience advising on a broad range of matters relating to digital technology, telecommunications and the Internet. He has advised on both regulatory and commercial matters including matters relating to development and review of public policy, legislation, regulatory enforcement, international relations and data governance (amongst others). David is also an accomplished speaker who has spoken widely on the development of Singapore data protection law, data protection and cybersecurity governance and compliance and related issues.

Heru Mardijarto

Heru Mardijarto is a Partner in the Firm's Corporate and Commercial department. His expertise includes General Corporate matters, Energy and Natural Resources, Construction, and IT and telecommunications. He has advised many major international clients as well as Indonesian state own companies in relation to power plants as well as construction projects.

He has been actively involved in handling Data Protection legal issues and provided advice on them to both local and overseas clients.

Irene Yong

Irene practises in the area of Personal Data Protection & Privacy Laws, and provides information and data management strategies and solutions, business practice and process reviews, as well as template and document reviews for business enterprises. She has advised and conducted reviews and audits for various business enterprises, including financial institutions. She has presented many papers on personal data protection law and regularly conducts training and workshops for clients and event organisers.

Kristine Bongcaron

Kristine is actively involved a number of the Firm's practice groups: Dispute Resolution, Commercial Arbitration, Labour and Employment, Intellectual Property, and Data Privacy and Security. She Co-Heads the Commercial Arbitration and the Data Privacy and Security Practice Groups, and is the head of the Intellectual Property team.

In the field of Data Privacy, she represents clients in proceedings before the National Privacy Commission (NPC) and advises clients in various data privacy compliance requirements.
