## RAGHURAM SUPRAMANIUM

### ABOUT RAGHURAM

Raghuram advises on protection and maintenance strategies of various IP rights, including trademarks, industrial designs, consumer protection, copyright, domain names, acquisitions of IP rights, securitisation and licensing, as well as competition and anti-trust, technology, media and telecommunications. He provides advice on trademark prosecution, trademark clearance searches and trademark registrability, trademark opposition and rectification proceedings as well as protection and maintenance of copyright, industrial designs and geographical indications.

In addition, he also advises and assists clients on IPR enforcement by working with the Ministry of Domestic Trade and Consumer Affairs, the Royal Malaysian Customs and the Royal Malaysian Police.

Raghuram has further assisted, worked and appeared with partners of the Intellectual Property Department of Shearn Delamore & Co. in various trademarks, copyright, industrial and patent infringements and cancellations as well as regulatory compliance matters in the subordinate courts, High Court, Court of Appeal and the Federal Court.
